A Great Mystery.

There is one great mystery in God's universe—somewhere flows a fountain

of life, where is one of God's secrets.

How far its waters flow we cannot

tell. No human feet have tracked its

streams in their wanderings. The Fa-

ther has decreed that we must drink

of it to live, and yet he blinds our

eyes with sleep before he lets us

drink. When we awake the strength

of the stream is in us, and so we make

the journey of the day. And the

strange waters have strange powers.

Soul darkness and despair are melted

in them; fear and trouble shrivel; hope

and strength are held in sweet solu

tion in their wakes. Worn and weary

with the care and fret, closing her

eyes as the tired lids fall in the gloom

of night, the faint mother slips into

the stream of sleep, and then in a little

(Special from United Press.) Hartford, April 3 .- As a result of inluries sustained in an automobile accident Thomas W. Foley, aged 32, of Lafayette street, died at the Hartford Hospital at noon to-day. The accident occurred yesterday afternoon tor residing on Warrenton avenue. After taking his victim to the hospital Grozier was arrested on the charge of reckless driving and held for hearing under a bond of \$500. This morning the bond was increased to \$1,000 and hearing postponed until Thursday of next week.

Tells Them "Not to Ride a Hobby, But a Horse"-A Conference Evangelist Authorized and Rev. H. C. McBride Appointed.

(Special from United Press.) Stamford, April 3.-The New York East Conference took up the question of appointing a Conference Evangelist this morning, consuming an hour in debating the question. The Bishop was finally empowered to appoint evangelist and Rev. Hamilton C. Mc-Bride was selected to fill the position.

The admission of nine young ministers into the conference occupied the balance of the session. Bishop Good-sell conducted the examination and delivered an address. The names of the new ministers follow: R.chard Hegarty, Edgar S. Jackson, William S Jackson, Raiph W. Keeler, Homer W. Minish Hans A. Ofstil. George B. Minish, Hans A. Ofstil, George B Smith, John S. Snavelin and James M Yard.

Bishop Goodsell's address included. beside his own early experiences, a few anecdotes illustrative of the administration of a charge. He said that the church as a whole is not dying from too much of the "Halleujah" and "Amen" and "Glory" shouts but because of the lack of these expressions of feeling. He told the young men not to ride a hobby but a horse. "You can get off a horse but you can't get off a hobby," he said.

Clark the matter is unsettled. One half of the building is owned by F. H. Lyon and the other half by his sister, Mrs. H. T. Shelton. New York parties, whose names have not been divulged, made inquiry about the building on Thursday, and learned that a five year Thursday, and learned that a five year lease could be secured. The New Yorkers say they would remodel the building provide an auditorium and gallery which would seat 1,200 people. There is grave doubt in the minds of many if the proposition would pay, because of the great expense of remodeling and the rental cost which is several thousand dollars. The first cost on establishing the theatre, which includes the rent for five y ars and the cost of remodeling, is estimated at \$37,000. The New Yorkers are said to be able to provide this amount and
